6 expires first.

7 No provisions with respect to the acquisition, operation, or disposition of property by other
8 public bodies are applicable to a district unless the same specifically are made applicable by
9 law.

NOTE: The provision of subsection 17 "grandfathering" voter-approved levy authority under this section looks odd when there is no authority in this section for voter approval of an excess levy. However, 2015 Senate Bill No. 2144 eliminated the prior provision of this section that allowed voter approval of what was essentially a no-limit number of mills and replaced it with the current provision.

10 **SECTION 25. AMENDMENT.** Section 4-22-27 of the North Dakota Century Code is
11 amended and reenacted as follows:

12 **4-22-274.1-20-25. Supervisors may formulate land use regulations for submission to**
13 **qualified electors.**

14 The supervisors of any district may formulate regulations governing the use of lands within
15 the district in the interest of conserving soil and soil resources and preventing and controlling
16 soil erosion, and may conduct public meetings and hearings upon tentative regulations as may
17 be necessary to assist them in this work. The proposed regulations must be embodied in a
18 proposed ordinance for submission to the qualified electors in the district, and copies of the
19 proposed ordinance must be available for inspection by the ~~eligible voters~~ qualified electors in
20 the district during the period of time between the publication of the notice of ~~referendum~~ election
21 upon the ordinance and the date of the ~~referendum~~ election.

NOTE: "Referendum" does not appear to be a correct description of the question being placed before the voters in this case.

22 **SECTION 26. AMENDMENT.** Section 4-22-28 of the North Dakota Century Code is
23 amended and reenacted as follows:

24 **4-22-284.1-20-26. Notice of referendum election - Form of ballot on referendum -**
25 **Conduct of election - Who may vote.**

26 The notice of ~~referendum~~ election on a proposed ordinance submitted to the qualified
27 electors in the district under section 4.1-20-24 must be ~~given in the same manner as is provided~~

1 in the manner required by section 4-22-164.1-20-14 relating to notice of election of supervisors,
2 and must recite the contents of the proposed ordinance or must state where copies ~~thereof~~
3 the proposed ordinance may be examined. The question of adoption or rejection of the
4 proposed ordinance must be submitted by ballot at an election to be held in the district. The
5 ballot must be in substantially the following form:

6 Shall proposed ordinance number _____, prescribing land use regulations for
7 conservation of soil and prevention of erosion be adopted?

8 Yes ☐

9 No ☐

10 The supervisors shall supervise the ~~referendumelection~~, prepare appropriate regulations
11 governing the conduct ~~thereof~~ of the election, and publish the result of the election. The right to
12 vote in the ~~referendumelection~~ is limited to qualified electors ~~living~~ residing within the district. No
13 informalities in the conduct of the ~~referendumelection~~ or in any matters relating ~~thereto~~ to the
14 election may invalidate the ~~referendumelection~~ or ~~theits~~ result ~~thereof~~ if the notice of
15 ~~referendumelection~~ has been given substantially as ~~provided in~~ required by this section and the
16 ~~referendumelection~~ has been fairly conducted ~~fairly~~.

17 **SECTION 27. AMENDMENT.** Section 4-22-29 of the North Dakota Century Code is
18 amended and reenacted as follows:

19 **4-22-294.1-20-27. MajorityTwo-thirds voter approval required to adopt ordinance -**
20 **Effect of ordinance after adoption.**

21 ~~No~~ An ordinance ~~will be~~ under this chapter does not become effective unless it is approved
22 by at least two-thirds of the ~~voters~~ qualified electors voting ~~in the referendum~~ on the question. If a
23 proposed ordinance is approved, the supervisors shall enact it into law. Land use regulations
24 prescribed in any ordinance adopted by the supervisors pursuant to this section have the force
25 and effect of law in the district and are binding and obligatory upon all qualified electors living
26 within the district.

NOTE: Binding on all qualified electors does not mean all lands are subject to the
regulations.

27 **SECTION 28. AMENDMENT.** Section 4-22-30 of the North Dakota Century Code is
28 amended and reenacted as follows:

1 **4-22-304.1-20-28. What may be contained in land use regulations.**

2 The land use regulations that may be adopted by the supervisors under the provisions of
3 this chapter may include:

- 4 1. Provisions requiring the carrying out of necessary engineering operations, including
5 the construction of terraces, terrace outlets, check dams, dikes, ponds, ditches, and
6 other necessary structures.
- 7 2. Provisions requiring observance of particular methods of cultivation, including contour
8 cultivating, contour furrowing, lister furrowing, sowing, planting, stripcropping, and
9 seeding and planting of lands to water conserving and ~~erosion-~~
10 ~~preventing~~erosion-preventing plants, trees, and grasses, forestation, and reforestation.
- 11 3. Specifications of cropping programs and tillage practices to be observed.
- 12 4. Provisions requiring the retirement from cultivation of highly erosive areas or of areas
13 on which erosion may not be controlled adequately if cultivation is carried on.
- 14 5. Provisions for such other means, measures, operations, and programs as may assist
15 conservation of soil and water resources and prevent or control soil erosion in the
16 district, having due regard to the declaration of policy set forth in ~~section 4-22-01~~this
17 chapter.

18 **SECTION 29. AMENDMENT.** Section 4-22-31 of the North Dakota Century Code is
19 amended and reenacted as follows:

20 **4-22-314.1-20-29. Regulations to be uniform - Copies furnished in district.**

21 Land use regulations must be uniform throughout the ~~territory comprised within the~~ district
22 except that the supervisors may classify the lands within the district with reference to such
23 factors as soil type, degree of slope, degree of erosion threatened or existing, cropping and
24 tillage practices in use, and other relevant factors, and may provide regulations varying with the
25 type or class of land affected but uniform as to all lands within each class or type. Copies of
26 land use regulations adopted under the provisions of this chapter must be printed and made
27 available to all qualified electors living within the district.

28 **SECTION 30. AMENDMENT.** Section 4-22-32 of the North Dakota Century Code is
29 amended and reenacted as follows:

1 **4-22-324.1-20-30. Amending, supplementing, or repealing land use regulations.**

2 Any qualified elector living within a district at any time may file a petition with the
3 supervisors asking that any or all of the land use regulations ~~prescribed~~ in any ordinance
4 adopted by the supervisors under ~~the provisions of~~ this chapter be amended, supplemented, or
5 repealed. Land use regulations ~~prescribed~~ in any such ordinance may not be amended,
6 supplemented, or repealed except in accordance with the procedure prescribed in this chapter
7 for the adoption of land use regulations. ~~Referenda~~Elections on adoption, amendment,
8 supplementation, or repeal of land use regulations may not be held more than once in any
9 six-month period.

10 **SECTION 31. AMENDMENT.** Section 4-22-33 of the North Dakota Century Code is
11 amended and reenacted as follows:

12 **4-22-334.1-20-31. Supervisors to enforce land use regulations.**

13 The supervisors may enter upon any land within the district to determine whether land use
14 regulations adopted under ~~the provisions of~~ this chapter are being observed.

15 **SECTION 32. AMENDMENT.** Section 4-22-34 of the North Dakota Century Code is
16 amended and reenacted as follows:

17 **4-22-344.1-20-32. Failure to perform land use regulations - Hearing on - Supervisors**
18 **to perform - Costs and expenses.**

19 If the supervisors of any district find that any of the provisions of land use regulations
20 prescribed in any ordinance are not being observed on particular lands and that such
21 nonobservance tends to increase erosion on such lands and is interfering with the prevention or
22 control of erosion on other lands within the district, they may present to the district court a duly
23 verified petition setting forth the adoption of the ordinance prescribing land use regulations, the
24 failure of the defendant land occupier to observe such regulations and to perform particular
25 work, operations, or avoidances as required thereby, and that such nonobservance tends to
26 increase erosion on such lands and is interfering with the prevention or control of erosion on
27 other lands within the district, and praying the court to require the defendant to perform the
28 work, operations, or avoidances within a reasonable time and to order that if the defendant fails
29 so to perform, the supervisors may go on the land, perform the necessary work or other
30 operations or otherwise bring the condition of such lands into conformity with the requirements
31 of such regulations, and may assess the costs and expenses thereof, with interest, to the

1 occupier of such land. Upon the presentation of such petition, the court shall cause process to
2 be issued against the defendant, and shall hear the case. If it appears to the court that
3 testimony is necessary for the proper disposition of the matter, it may take evidence or appoint
4 a referee to take such evidence as it may direct and report the evidence to the court with the
5 referee's findings of fact and conclusions of law. If a reference is ordered, the report of the
6 referee constitutes a part of the proceedings upon which the determination of the court must be
7 made. The court may dismiss the petition, or it may require the defendant to perform the work,
8 operations, or avoidances, and may provide that upon the failure of the defendant to initiate
9 such performance within the time specified in the order of the court and to prosecute the same
10 to completion with reasonable diligence, the supervisors may enter upon the lands involved and
11 perform the work or operations or otherwise bring the condition of such lands into conformity
12 with the requirements of the regulations, and may assess the costs and expenses thereof, with
13 interest at the rate of five percent per annum, to the occupiers of such lands. If the person in
14 possession of lands failing to perform such work, operations, or avoidances is other than the
15 owner, the owner of such lands must be joined as a party defendant, and in all cases, notice
16 must be given to all other interested parties in person, or by publication in the manner provided
17 in this chapter for publication of due notice. The court shall retain jurisdiction of the case until
18 the work has been completed. Upon completion of such work pursuant to the order of the court,
19 the supervisors may file a petition with the court, a copy of which must be served upon the
20 defendants in the case, stating the costs and expenses sustained by them in the performance
21 of the work and praying judgment therefor, with interest. The court may enter judgment for the
22 amount of such costs and expenses with interest at the rate of five percent per annum until
23 paid. The supervisors may certify to the county auditor of the county in which the district is
24 located the amount of such judgment, which thereafter is a lien upon such lands, and which
25 must be collected as taxes or assessments are collected. When such judgment is paid or
26 collected, the proceeds must be paid over to the district within the boundaries of which the land
27 lies.

NOTE: This section may hold the record for longest sentence and longest paragraph in the entire code.

28 **SECTION 33. AMENDMENT.** Section 4-22-35 of the North Dakota Century Code is
29 amended and reenacted as follows:

1 **4-22-354.1-20-33. Board of adjustment - Members - Appointment - Vacancies -**
2 **Compensation.**

3 When the supervisors of any district adopt an ordinance prescribing land use regulations,
4 they shall provide by ordinance for the establishment of a board of adjustment to consist of
5 three members, each to be appointed for a term of three years, except the members first
6 appointed who are appointed for terms of one, two, and three years respectively. The members
7 of each board of adjustment must be appointed by the committee with the advice and approval
8 of the supervisors of the district for which the board has been established, and are removable,
9 upon notice and hearing, for neglect of duty or malfeasance in office, but for no other reason. A
10 hearing on the removal of a member of a board of adjustment must be conducted jointly by the
11 committee and the supervisors. A vacancy on a board of adjustment must be filled in the same
12 manner as an original appointment is made, and such an appointment is for the unexpired term
13 of the member whose term becomes vacant. Members of the committee and the supervisors of
14 the district are ineligible to appointment as members of the board of adjustment during their
15 tenure of such other office. The members of the board shall receive five dollars a day for the
16 time spent on the work of the board in addition to their expenses, including traveling expenses
17 necessarily incurred in the discharge of their duties. The supervisors shall pay the necessary
18 administrative and other expenses of operation incurred by the board upon the certificate of the
19 chairman of the board.

21 amended and reenacted as follows:

22 **4-22-364.1-20-34. Board of adjustment - Rules - Chairman - Meetings - Quorum -**
23 **Records.**

24 The board of adjustment shall adopt rules to govern its procedure, ~~which rules must be in~~
25 accordance with the provisions of this chapter and any ordinance adopted pursuant to under this
26 chapter. The board shall designate, and may replace at any time, a chairman from among its
27 members ~~and may change such designation from time to time.~~ Meetings of the board must be
28 held at the call of the chairman and at such other time as the board may determine. Any two
29 members of the board constitute a quorum. The chairman, or ~~in the chairman's absence such~~
30 other another member of the board ~~as designated by the chairman may designate to serve as~~
31 acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of

9 adjustment alleging that there are great practical difficulties or unnecessary hardships in the
10 way of the petitioner strictly complying with the land use regulations prescribed by any
11 ordinance, and praying the board to authorize a variance from the terms of such land use
12 regulations in the application thereof to the lands occupied by the petitioner. Copies of such
13 petition must be served upon the chairman of the supervisors of the district within which the
14 petitioner's lands are located and upon the chairman of the committee. The board shall fix a
15 time for the hearing of the petition and shall cause due notice of such hearing to be given. The
16 petitioner may appear in person, by agent, or by attorney at the hearing and the supervisors
17 and the committee may appear and be heard. If the board determines on the facts presented at
18 the hearing that there are great practical difficulties or unnecessary hardships in the way of
19 applying the strict letter of any of the land use regulations upon the lands of the petitioner, it
20 shall make and record such determination and findings of fact as to the specific conditions
21 which establish such great practical difficulties or unnecessary hardships. Upon such findings
22 and determination, the board may enter an order authorizing a variance from the terms of the
23 land use regulations in their application to the lands of the petitioner consistent with the spirit of
24 the land use regulations, and with substantial justice and the public health, safety, and welfare.

30 the testimony be taken shall pay the fees of the shorthand reporter.

NOTE: Shorthand? Paid by the member who requested it?

1 **SECTION 37. AMENDMENT.** Section 4-22-39 of the North Dakota Century Code is
2 amended and reenacted as follows:

31 amended and reenacted as follows:

**4-22-424.1-20-40. Discontinuance of districts - Petition - Referendum - Eligible

SECTION 41. AMENDMENT. Section 4-22-43 of the North Dakota Century Code is amended and reenacted as follows:
